

# GARA AERO DUO SKIN

COD. 121720

Sci per allenamento o gare di lunghe distanze da non sciolinare. La tecnologia Duo Skin permette un ottimo grip in ogni condizione e lo speciale livellamento della pelle con la suola dello sci garantisce un'ottima scorrevolezza. Inserti pelli intercambiabili.

*Waxless training skis, suitable for long distance races. The DUO SKIN technology provides an excellent grip in all conditions and the special levelling of the mohair insert with the ski base ensures an outstanding glide performance. Replaceable mohair skin inserts.*
