

ORTLES COD. 13169

Ortles è la versione più performante della linea Adventure. È perfetto per sciatori esigenti con ottime performance su nevi dure e pendii ripidi. Ha l'anima costruita con tecnologia Liwood Air e 14 strati che garantiscono leggerezza e grande affidabilità. Control progressive flex, hiconnect e no shock active vibration control per una sciata sicura e precisa. Uno sci ideale per chi cerca un attrezzo che risponda immediatamente ai comandi dello sciatore.

Ortles offers the best performance of the Adventure line. It is perfect for demanding skiers with a good level of technical skill. The core is made with Liwood air and 14-layer technologies guaranteeing excellent reliability and low weight. Control progressive flex, hiconnect and no shock active vibration control for safe, precise turns. The ideal ski for those looking for equipment that instantly responds to the commands of the skier.
